

CONGRATULATIONS!

Mount Pleasant Center is closed!

9/10/09

Next, the small ICF/MR established at Caro (10 people)! Then we can be done with this black period in our state's history.

Michigan will then be the largest state, of 11, with no public institutions and unique with no ICF/MR.

THANK YOU! Bill Allen, Mike Head and DCH including yeomen's work by staff. Many deserve our thank you, including those PIHPs and CMHSPs who lived up to their responsibility. This includes some who have done so for a long time and some for whom that is a recent development. Additional thanks to: Michigan Center for Positive Living Supports, CLS, CMH of Central Michigan and especially to our local chapters and our sister advocacy agencies for their help and support.
