Achieve with us.

TO FACILITATE IS TO MAKE EASIER

Hi. My name is Patt Clement.

I like to put puzzles together and make arts and crafts. But mostly I love my dog, Mork.

Here is a picture of us.

I have worked at The Arc Kent County for 12 years. I also worked at The Arc Michigan for 11 years. I have experience with services for individuals with all kinds of abilities. One of my four adult children has significant disabilities. She has active meaningful like in the community and hires her own staff!

What makes me a good facilitator, is that I keep you at the center of any planning discussion. My favorite part of person centered planning is getting to know you and

watching you succeed.

I have facilitated 12 plans and have an Independent Facilitation Certificate from the Developmental Disabilities Institute at Wayne State University. When I don't know the answer to your planning questions, I do research on the subject and will get back to you. I want to assist you!

If you'd like to talk with me about becoming your Independent Facilitator, call me at 616-588-1986 or email me at patt@arckent.org.
