Basics of Social Security, Medicaid & Medicare

Social Security is a Federal Benefit that is income for individuals with disabilities who qualify. Medicaid and Medicare are health insurance benefits that come with drawing a check from one of the disability benefits of Social Security. In this **workshop** we will examine the two Social Security Administration programs and how Medicaid and Medicare are part of this. We will also discuss how to apply for benefit.

Presenter: Maggie Kolk, Arc Advocate

Date/Time: Tue. February 21 at 12-1 pm

Working and Receiving Supplemental Security Income (SSI) or Social Security Disability Insurance Benefit (SSDI).NOW WHAT?

Social Security has put in place work incentives for individuals who receive SSI or SSDI and want to work. You will learn about the work incentives and how to apply them to your situation.

Presenter: Maggie Kolk, Arc Advocate
