Lisa Lepine
Executive Director

“When you have exhausted all possibilities, remember this: you haven’t.”
~ Thomas A. Edison

Learn about the creative ways to support individuals to lead a healthy life in a home of their choosing.

You are in control of your life and there are many ways to improve independence, a sense of empowerment and outlook. Many face challenges with affordability, accessibility and supports. Clearly identifying those barriers from the start will help you build a creative housing plan.
