September 25, 2023 at 6:00 pm

Brookview Apts Clubhouse

1305 Brookview NE

Grand Rapids, 49505

RSVP at arckent.org/events

Lisa Lepine earned her Bachelor of Arts from Wayne State University and her law degree from University of Detroit. Prior to becoming the Executive Director, Lisa served as the Deputy Director of the Arc for twelve years, tripling the size of the company during that time. Lisa established the guardianship, representative payee, and fiscal intermediary departments, eventually spinning off the fiscal intermediary department into its own non-profit company, LifeLong. Lisa established the Shared Parenting program with Community Mental Health in Macomb County, the only program of its kind in the county, serving more than 80 families. Prior to joining the Arc, Lisa practiced in Trusts and Estates and Probate, specializing in Special Needs Trusts for Protected Individuals. Lisa is one of the leaders in disability law in the State, speaking at seminars and teaching continuing legal education to other lawyers. Lisa continues to prepare Wills and Trusts and Estate Plans for both members and non-members of the Arc. Lisa also worked as a hearing officer for Oakland County Community Mental Health until this summer, and continues as the president of the Provider Alliance in Macomb County.
